

Technical Specifications for 2711E-K14C6

Memory	2.25 MB
Weight:	43.5 lbs (19.7 kg).
Input Voltage range:	85...264V AC, 47...63 Hz
Communication ports:	DH+ / RIO
Resolution:	640 x 480
Display Type:	Color Active Matrix TFT screen
Window:	clear, hard-coated, scratch-resistant polyester over chemically strengthened glass
Key panel:	sealed, stainless steel dome membrane switches with tactile feedback and an actuation force of 1 lb. (0.455 kg), mounted on the key panel's reinforced plastic bezel, protected with a hard-coated, scratch-resistant polyester surface. Keys are rated for 2,000,000 presses.
Compatible Controllers:	PLC5, SLC500, CompactLogix, ControlLogix controllers
Product Type:	PanelView 1400E
Product Family:	PanelView Enhanced

Brand	Allen-Bradley
Manufacturer:	Rockwell Automation
Part Number/Catalog No.	2711E-K14C6
Product Line	Panelview 2711E
Display Size	14-inch
Display Color	Color
Input Type	Keypad
Communication	DH+ and Remote I/O
Input Voltage	180-264V AC
Backlight	6189-NL2
Product Lifecycle Status*	Discontinued/Obsolete
