

Box terminal for contactor 3RT1054 size S6 Max. connection approx. 70 mm<sup>2</sup>

|                       |                                                                       |
|-----------------------|-----------------------------------------------------------------------|
| product brand name    | SIRIUS                                                                |
| product category      | Terminal covers                                                       |
| product designation   | Box terminal block                                                    |
| design of the product | up to 70 mm <sup>2</sup> , can be used for 3UF71.3-1BA00-0 or 3RW443. |

General technical data

|                                |            |
|--------------------------------|------------|
| Substance Prohibittance (Date) | 07/01/2006 |
| Weight                         | 0.24 kg    |

Connections/ Terminals

|                                              |                                   |
|----------------------------------------------|-----------------------------------|
| type of connectable conductor cross-sections |                                   |
| • for main contacts                          |                                   |
| — solid or stranded                          | max. 1x 50, 1x 70 mm <sup>2</sup> |
| — finely stranded with core end processing   | max. 1x 50, 1x 70 mm <sup>2</sup> |
| • for AWG cables for main contacts           | 2x 1/0                            |

Approvals Certificates

|                          |     |
|--------------------------|-----|
| General Product Approval | EMV |
|--------------------------|-----|
